# POLYMER PLAZA RECYCLING SOLUTIONS

24–26 January 2023  
Expocentre Fairgrounds  
pav. 2.3 D01

## 24 January

Moderator: Anna Dautova

11.50 – 12.00

### Greeting

Russian Union of Chemists; Union of Plastics Processors; Ministry of Industry and Trade of Russia

12.00 – 12.30

### State support for the industry

Ministry of Industry and Trade of Russia

12.30 – 13.00

### Production of polymers in the Russian Federation. Import and Export – redistribution of flows in the current realities

Gazprombank, BHC, Lukoil, Argus Media, SIBUR

13.00 – 14.00

### New projects for the production of polymers in the Russian Federation and the CIS

German Petrushko, Titan-Polymer, Lukoil, INK, BHC

14.00 – 14.30

### Importer's view of the market, difficulties and prospects for import and export of polymers and polymer raw materials

Georgy Soldatov, CEO, Aditim

14.30 – 15.00

### State and prospects of the logistics industry

Maria Simakova, Founder & CEO, Agile Customs&Logistics (ACL)+

15.00 – 15.30

### Formation of new supply chains for the polymer industry

George Vlastopulo, CEO, Optimalog

15.30 – 16.00

### State of the polymer processing industry in Russia

Mikhail Lvovich Katsevman, President, Union of Plastic Processors

16.00 – 17.00

### Polymer processing in Russia by segments:

Pipes – API Packaging Luchesa Nabatov, General Director, Georg Polymer TNP – Ai-Plast Building Materials

## 25 January Recycling Solutions

10.50 – 11.00

### Greeting

11.00 – 12.00

### Status and prospects of the waste management segment in Russia

Alexey Makrushin, PPK REO

### Collect extract recycle: the fate of plastic packaging in new conditions

Elena Vishnyakova, Deputy General Director, Ecoline Group Sergey Khlebnikov, Operations Director, RT-Invest Recycling

12.00 – 12.30

### Extended responsibility of the packaging manufacturer. Last news

Lyubov Melanevskaya, Executive Director, RusPEC

12.30 – 13.00

### Recycling of polymers in Russia under sanctions

Konstantin Rzayev, Chairman of the Board of Directors, Ecotechnologies

13.00 – 13.30

### Scrap processing, independent implementation of the ROP

Association Clover

13.30 – 14.00

### Tire recycling, ROP

Ecoshinsoyuz

14.00 – 14.30

### Recycling of household appliances

Ecopolis

14.30 – 15.00

### Manufacture of recycled products and an overview of the recycled fiber segment

15.00 – 16.00

### FMCG brands in Russia and their sustainability and waste management policies

Evgenia Sedova, Unilever

16.00 – 18.00

### Technologies and equipment for the waste management and recycling industry

## 26 January

10.50 – 11.00

### Greeting

11.00 – 11.30

### Prospects for exchange trading in polymers

SPBMTSB

11.30 – 12.30

### Successful cases of companies in overcoming the challenges facing the industry.

### Testing polymers and building a cycle for creating analogues of products from polymer compounds to replace those that left the Russian Federation

Ulyana Tsyutskoma, Research and Development, Head of the Center for Collective Use, Metaclay

12.30 – 13.00

### Issues of financing the polymer industry

Gazprombank

13.00 – 13.30

### Marking of polymer products

Piping Systems Manufacturers Association

13.30 – 14.00

### Counterfeit and fake

Piping Systems Manufacturers Association

14.00 – 14.30

### The state and trends of the labor market in Russia in the current conditions

14.00 – 17.00

### Session of the Union of plastic processors
